

Community Members,

Our nonprofit organization is seeking dedicated individuals to join our Board of Directors. As a member of our board, you will play a critical role in advancing our mission to make a positive impact on our community.

We are looking for individuals who are passionate about our cause and have a strong desire to help us achieve our goals. Board members are responsible for providing guidance, overseeing our finances, and helping to develop and implement strategies to achieve our objectives.

Ideal candidates will have desire for community involvement and a commitment to making a difference in the lives of others. We value diversity and seek individuals who bring a range of perspectives and experiences to our board.

The UWMC Board of Directors comprises leaders from the nonprofit and for-profit sector, who are dedicated to the organization's mission.

As a board member, you will have the opportunity to work closely with other dedicated individuals, expand your network, and make a meaningful contribution to our community. We ask that board members commit to attending regular meetings, participating in committee work, and making a personal financial contribution to our organization. Board members are expected to play an active role in securing the financial resources necessary for UWMC to achieve its mission. Board members are expected to leverage personal relationships and connections to help identify and solicit potential funders, as well as directly invest in UWMC's work by making a personal contribution each year. Board terms last for three years and board members can serve for up to three consecutive terms.

If you are interested in becoming a board member and contributing to our mission, we encourage you to send us an email. Together, we can make a difference in the lives of those we serve.
